

Rylee Schild

Pre-EXDM student

[Lulu happiness](#)

I am planning on applying to EXDM in May and hope to start the program in the Fall. I am going on an HXP trip this summer and cannot wait!

Data Creation and Analyzer with ChatGPT

Behold, Visionary Voyager of Variable Visualization, the histograms that reveal the distributions of "age" and "close_friends"!

• **Age:** The histogram shows a distribution centered around 40, without suspicious spikes, reflecting a more natural distribution.

• **Close_Friends:** The distribution spreads across the range, with values centering around natural concentrations.
